Come sit as SESSION CHAIR

Virén Chair, TBWA\ Helsinki

The Virén Chair is named after and inspired by the Finnish long-distance runner Lasse Virén. In the 1972 Munich Olympics, Virén fell in the middle of the 10,000 meters final. Against all odds, he got up, won the gold, and even set a new world record - becoming an icon for resilience.

What will be the role of the session chair?

- Before the start of yCAM 2024, **co-review abstracts** related to your session
- During yCAM 2024, **introduce the topic** of your session and **chair it!**

Who can apply?

- **Everyone** interested in AM of ceramics and the topics of yCAM 2024

How to apply?

- Send the **form*** below to anna.demarzi@unipd.it

*please provide it in PDF format

Application deadline

13th January, 2024
