

TO BECOME **SESSION CHAIR**

What will you have to do?

- Co-review abstracts related to your session
- Participate at yCAM 2022 (November 9th-11th, Barcelona, ES) and introduce the session with a 5' overview of the technology
- Spread the word about yCAM!

How can you apply?

- Send the **form*** below to giorgia.franchin@unipd.it

* Please send back the PDF version, do not print and scan the form.

Application deadline: **April 13st, 2022**

Session chair application

Last name		First name		
Position	<input type="checkbox"/> Master student	<input type="checkbox"/> PhD student	<input type="checkbox"/> Post-doc /Faculty	<input type="checkbox"/> Professional
Institution/Company				
Country	E-mail			
Which session are you applying for? (pick only one)	<input type="checkbox"/> Material Jetting	<input type="checkbox"/> Material extrusion with ceramic filaments		
	<input type="checkbox"/> Binder Jetting	<input type="checkbox"/> Material extrusion with ceramic inks and pastes		
	<input type="checkbox"/> Vat photopolymerization	<input type="checkbox"/> Powder bed fusion		
	<input type="checkbox"/> Directed energy deposition	<input type="checkbox"/> Emerging, hybrid and multimaterial AM technologies
